"WHAT YOU SHOULD KNOW ABOUT YOUR CITY"

"The helpful kind of patriotism is the kind that grows out of a knowledge of one's town, of her growth, her people, her property, her government and her needs. This knowledge develops, first, an intelligent interest; then, a sympathy; then a reasonable affection; a wise and temperate jealousy for her good name and a wish that she may prosper and grow more beautiful; and, finally, a desire to help her to become greater and finer, a bright and clean workshop and a home for the best of men and women."
—John Cotton Dana.

THE ESSEX COUNTY DISTRICT COURT.

By the passage of Chapters 278 and 279, Laws of 1945, the two Newark District Courts, together with the District Courts at Irvington, Montclair, East Orange and Orange, were abolished and The District Court of the Essex County Judicial District was established.

By the passage of Chapter 384, Laws of 1948, The District Court of the Essex County Judicial District became the Essex County District Court.

The new court's territorial jurisdiction is co-extensive with the limits of Essex County. The other jurisdiction is over every action of a civil nature at law, or to recover any penalty imposed or authorized by any law of this state, where the debt, balance, penalty, damage or other matter in dispute does not exceed, exclusive of costs, the sum or value of $1000.00. The court also has jurisdiction in proceedings between landlords and tenants and in actions of forcible entry and detainer, and in actions of replevin where the value of the goods or chattels of which replevin is sought does not exceed the value of $1000.00 and in attachment for a sum not exceeding $1000.00.

The court has a Presiding Judge and three other judges and it sits in four parts. Central Office, Part 1, is located in the City Hall Annex, Newark, N. J. Parts II, III and IV are located in the Essex County Court House at Newark. An addition to the Hall of Records on High Street, Newark, is now in the course of construction, which will house all the parts of the court upon completion, which will probably be in the Spring of 1952.

The Presiding Judge is Alexander P. Waugh. The other Judges are F. D. Masucci, Joseph G. Lyons and Walter H. Conklin. The Presiding Judge assigns the other Judges to preside over and hold each Part of such court and rotates them from time to time. The salaries of the Judges at present are as follows: Presiding Judge $12,500.00; each of the other Judges $12,000.00. The Judges hold office for five years.

The Clerk of the Court is Louis Hecht. He is the chief ministerial officer of the Court and all employees of the Court are subject to his control. All fees, payable to the Clerk of the Court, are paid over to the County Treasurer monthly.

The Court is open from 9:00 A.M. to 4:30 P.M.

NATIONAL BANK

a Newark institution . .

For over a quarter of a century the Union National Bank has served the people of Newark in a spirit of friendly cooperation that has earned for it the name of "The Friendly Bank For All The People." Throughout this time this bank has made it a practice to give as much attention to the so-called "little man" as to the larger depositor. Union National is one of the few independent banks left in Newark and is eager to do business with the small businessman.

Your particular need or needs may be included in the services listed. If you have a special problem, please do not hesitate to consult us. You'll find our executives friendly, easy to get along with, and genuinely interested in giving the best advice, based on their long years of successful experience. Drop in and see for yourself.

Restland Memorial Park

Beautiful Garden of Memories

EAST HANOVER, N. J.

Restland's magnificent medieval chapel, inspired by the St. Giles Church, immortalized by Thomas Gray's "Elegy Written in a Country Churchyard," is a faithful replica of its historic model built at Stoke Pogis, England, eight centuries ago. Location—Restland Memorial Park just off Route 10 on DeForest Ave., East Hanover, is sheltered from the noise and confusion of active life, yet easily and quickly accessible to the entire metropolitan district by fine paved roads. The best motor route from Newark is South Orange Ave. thru the Orange Mountain reservation to Highway No. 10 there left for ¾-mile to DeForest Ave. where you turn right and signs at this point will direct you for another ½-mile.

A Lasting Advertisement

Insuring Maximum Coverage at Minimum Cost Is Now Available

City Directory Advertising lives as long as the book is current. It is readily at hand and can, through cross indexing of proper representation, be made easy to find and fully informative. Any business-man, desirous of effectively registering a service or produce, in such a manner as will form a permanent advertisement, owes it to himself and his business to be thoroughly informed on City Directory Advertising.

Your City Directory is not alone a local medium. By a system of distribution through nearly 500 City Directory Libraries, your advertisement takes on a national aspect. Send for descriptive Library Folder and Privilege Card.

Every day thousands of business men all over the country search its classified sections to find where nationally advertised goods may be purchased. City Directory ("Reference") Advertising is the completing girder in the bridge between dealer and consumer and should be part of all national and local campaigns.
